ABOUT LITTLE THINGS STUDIO

Little things making big impacts

Little Things Studio brings beauty and truth to the special spaces in your life through art prints, calendars, cards and bookmarks. We believe that the little things in life, like cards and bookmarks, make big impacts in people's hearts and relationships. Mississippi-born and Nashville-based artist Kate Whitley weaves word and image with lush floral designs, vibrant and vintage color schemes and lovely hand-lettering of hymns, songs and quotes.

About Kate

I'm from the small, Southern town of Yazoo City, Mississippi. If you talk to me, you'll think I'm faking my accent. But it's for real. My first degree was in Public Relations, and I worked in the corporate office of a bank. I hated my job and decided to go back to school for graphic design at Mississippi State University. I had not taken an art class since I was eleven. I didn't even know there were different weights of pencils. Becoming a graphic designer felt like I was getting my life back. I've never been happier.

My thick Southern accent comes with a big personality, a love of color and design, and passions for food, hymns and history. My work is heavily influenced by folk art, including Scandinavian, Russian and Native American art. I strive to put depth and truth in my work to communicate the joys and sorrows of life. Little Things Studio is an extension of me. I make work that I want to see out in the world and that I need myself. It's a joy, privilege and honor to be able to do this work. I love getting to know my customers and hearing how my work has ministered to them in dark seasons.

Little Things Studio is located in the top floor of my house in East Nashville, Tennessee, where I live with my husband Dave, daughter Agnes, and cat Weezie.

Testimonial

The hymns of our past are so rich in Biblical truth, and Kate has captured these treasures in a fresh way with her lovely art. From prints for the home to bookmarks for our Bibles, my customers love to purchase Kate's work as gifts and for themselves. They often exclaim when looking through the display in my shop, "Oh, this is my favorite hymn!"
